

## **Information about the Plane Team - now known as the St. Frai Group**

Due to rising costs and the loss of subsidies, it has become untenable for a group of young people within the Liverpool Archdiocesan Youth Pilgrimage to travel by plane. Therefore, the former 'Plane Team' will now be known as the 'St Frai Group'. This group of young people and leaders will still be dedicated to working in the St Frai Hospital but will now travel to and from Lourdes by coach, paying the same price as the other youth pilgrims.

Yours sincerely
