

Why do you think Jesus chose the Samaritan to be the one who helps?

Do you think it is hard to love everyone? Why?

Have a think of what work you have done to help that neighbour in need... Have you helped others within school? Within the community? Across the world from you?

Although we may have done a lot of things already to live out this reflection point and that is brilliant, we are challenged to keep living this out in our day to day lives... so, what else could you do to care for those in the world?

The Good Samaritan
